General Description

TD750 Anti-Flooding Trunk Valve ‘Eureka’

Technical Specification

- Product code:** See Table
- Standard:** BS 437
- Material:** Cast Iron – BS EN 1561
- Coating:** Black Water Based Primer to an average thickness of 70microns
- Component Fire Rating:** A1
- System Fire Rating:** A2-s1,d0
- Water Temperature Rating:** 95° +/- 2° (Resistance to Hot Water in 24hr cycle constant)
