

Aluminium Rainwater Colours

Aluminium Rainwater systems are available in plain mill finish or polyester powder coated using the raincote range on a BBA approved process. The standard aluminium RAL colour range includes 27 colours to choose from, these are produced with a 30% gloss finish unless otherwise stated. Other RAL & BS colours are available, but surcharges may apply, based on the value of each order.

We can offer any additional BS or RAL colour. Please contact us to discuss your project requirements or request a sample.
