761-780mm	840mm	3mm	85mm	85mm	18mm	

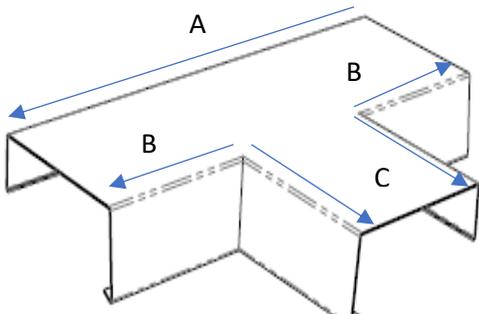

Two Fixing Brackets Included - 95 angled legs

90° Angle	Wall Size	Coping Width	A	B
 <p>The diagram illustrates a 90-degree angle gutter installation. It shows a cross-section of a gutter with a 90-degree angle. Dimension 'A' is indicated by a double-headed arrow across the top width of the gutter. Dimension 'B' is indicated by a double-headed arrow across the width of the gutter at the bottom edge. The gutter has a central channel and two side flanges.</p>	90-120mm	180mm	300	100
